

## FINANCE DIRECTOR (M/F/D)

McCANN Health Germany is looking to appoint a commercially minded Finance Director who, as part of the leadership team, will help to direct the business, build strong relationships at all levels and ultimately drive business growth.

---

### The role:

- Senior level commercial guidance and financial leadership
- Inspirational leadership of the Finance department
- Comprehensive, timely and high quality financial and management reporting to local, regional and global management.
- Controlling of annual budgets, updates and forecasts, proactively highlight potential issues to local and regional management together with mitigating actions
- Maintaining a deep and up to date knowledge of clients' business models, contractual arrangements, key strengths, and opportunities
- Negotiate all client and supplier contracts (fees and terms of business). Ensuring that exceptions to standard terms are documented and approved by IPG legal and regional finance management

### The requirements:

- At least 5 years of senior level experience in a similar role and industry
- A degree in Finance, Controlling or related fields
- Fluent in English and German
- Strong attention to detail
- Excellent skills in all MS office applications
- Inquisitive and open minded
- Ability to drive processes to completion

### What we offer:

- Competitive salary and benefits
- Permanent contract
- Tremendous opportunities for personal growth and development
- A vibrant, collaborative office environment
- Strong links with our McCann sister companies and the IPG network
- Various additional benefits working for a global player in the advertising industry

---
